SUBJECT: Temporary Closure of Tower Barracks Child Development Center

Dear Tower Barracks CDC Patrons:

We are excited to begin the expansion and renovation of Tower Barracks CDC. The expansion will require a temporary closure of Tower Barracks CDC after Thursday, 31 October. Beginning Monday, 04 November, the Tower Barracks CDC hourly care program will be temporarily transferred to Netzaberg CDC. The caregiving and management teams will also temporarily transfer to Netzaberg CDC. We anticipate the expansion and renovation to be completed in summer 2021.

Hourly care reservations will be available via WebTrac and phone at Netzaberg CDC and Rose Barracks CDC. We anticipate the difference in amount of care provided to the community will be negligible.

Please feel free to bring any questions or concerns to the management team at Tower Barracks CDC. Our goal is to make this a smooth transition and to continue supporting our patrons and community during the entire expansion process.

The POC is the undersigned at DSN 526-9078, civilian 09641-70-526-9078 or via email at [matthew.r.rody.naf@mail.mil](mailto:matthew.r.rody.naf@mail.mil).

Sincerely,

**MATTHEW R. RODY**  
Program Operations Specialist, CYS
