

U.S. Forces Europe Hunting, Fishing, and Sport Shooting Program

Guide to Hunting in Germany

01– References

- a. Army Europe Regulation 215-145 / USAFE Instruction 34-104 – Hunting, Fishing, and Sport Shooting in Germany.
- b. U.S. Forces Sport Shooting Handbook.

02 – Purpose

- a. This guide provides guidance on hunting procedures for US personnel in the Federal Republic of Germany (GE). A thorough knowledge of these procedures is necessary for the successful completion for the hunting and weapons qualification course, verbal and written examination, and weapons qualification test.
- b. A prospective hunter – *Jungjäger* who passes the verbal and written examination and weapons qualification test will receive the examination certificate – *Prüfungszeugnis* (AE Form 215-145E). This form qualifies hunters to apply for their German hunting license – *Jagdschein* by using AE Form 215-145A.
