Command Policy Letter #35 - Non-Federal Entity (NFE) Policy to Operate on USAG Bavaria Military Installations

1. Non-Federal Entities (NFE) play an important role in creating a positive community environment and improving the quality of life on Army installations by offering a wide variety of activities and services that provide avenues of support, esprit de corps, relaxation, and social interaction which would not otherwise be available. All individuals living and/or working on our installations are encouraged to participate in recognized NFEs, however, it is important that individuals who elect to participate must do so of their own free will without coercion or pressure from commanders and supervisors.

2. This policy establishes procedures and responsibilities for the operation of NFEs on USAG Bavaria Military installations.

3. General Principles.

a. Types of Non-Federal Entities.

(1) Type I – Federal sanctioned NFEs that provide recognized services to the Department of Defense. Examples are the American Red Cross (ARC) and Credit Unions.

(2) Type II – NFEs that have national headquarters with local chapters and conduct activities of common interest to a voluntary membership. Examples are Boy Scouts and Girl Scouts of America and the United Services Organization (USO).

(3) Type III – Independent NFEs locally controlled by common interest groups with no formal association with outside parent organizations. Examples are Spouses groups and the Veterans of Foreign Wars (VFW).

(4) Recreational and Educational – NFEs operating as bona fide extensions of appropriated or non-appropriated fund recreational or educational activities. Examples are Bowling Leagues and-, Key Clubs.

(a) Recreational NFE operating in coordination with Directorate of Family and Morale, Welfare and Recreation (DFMWR) activities, such as Bowling leagues.

(b) Organizations formed and operated in conjunction with DFMWR Family services that operate under the administrative supervision of Army Community Service.

(c) Organizations formed and operating in conjunction with the Department of Defense Education Activity (DODEA) that work under the administrative supervision of school faculty/staff members, such as school drama clubs, language clubs, Key Clubs.

Enclosure 1: Process

Command Policy Letter #35 - Non-Federal Entity (NFE) Policy to Operate on USAG Bavaria Military Installations

b. European Theater Requirement. Within the European theater, minimally 51% of NFE members must have SOFA status. Individuals with SOFA status include U.S. and sending States' military and civilian personnel, their accompanying dependent Family members, and contractor employees with status under agreements between the U.S. Government and the HN (article 71, 72, or 73 of the NATO SOFA SA for Germany).

c. Limitations on Non-Federal Entities.

(1) NFEs are not part of the military and therefore not entitled to immunities and privileges given to government entities.

(2) NFEs are not endorsed by the Army.

(3) NFEs cannot conduct activities that may discredit the Army, DoD, or the Federal Government.

(4) NFEs may not duplicate or compete with authorized Army or Non-appropriated Fund Instrumentalities (NAFI) activities and will not impose a financial obligation on the Army or a NAFI.

(5) NFEs cannot receive financial assistance from a NAFI in the form of contributions, repairs, services, dividends or other donations of money or other assets.

(6) NFEs must comply with fire and safety regulations, child abuse prevention laws and policies, environmental laws, United States and Host Nation tax codes, and other applicable international agreements, statutes, and regulations.

(7) NFEs will not engage in the distribution or sale of alcoholic beverages, tobacco, pharmaceuticals, or narcotics at any time.

(8) NFEs cannot use Army legal, audit, transportation (see AR 58-1, para 2-3 and 6-2f. for exceptions), printing, information management activities, clerical, financial, copying, management and procurement services. However, the Installation may provide the following services on a space available basis:

(a) Intra-theater delivery service (IDS) in accordance with DODI 4525.09.

(b) Military postal service facilities

(c) Logistical support according to the Joint Ethics Regulation, chapter 3-211.

(d) Authority for NFE to establish a bank account with on-post Defense Finance and Accounting Service (DFAS) contracted banking institute.

Enclosure 1: Process

Command Policy Letter #35 - Non-Federal Entity (NFE) Policy to Operate on USAG Bavaria Military Installations

4. Ethical Considerations. NFEs are unofficial activities and United States (US) Military and Department of Defense (DoD) Civilian Employees will remain neutral in dealing with NFEs while acting in their official capacity; there will be no preferential treatment or appearance of favoritism. US Military Members and DoD Employees will not be assigned to work for a NFE as an official duty. US Military Members and DoD Civilian Employees who become members of NFEs do so in a separate capacity from their official government work.

a. The Joint Ethics Regulation (JER) prohibits the use of an official position to direct the operations of, endorse, or grant preferential treatment of any NFE; U.S. Military Members and DoD Civilian Employees are prohibited from representing any NFE to the Government, any government body or employee.

b. U.S. Military Members and DoD Civilian Employees who are officers or active participants in a NFE are subject to strict requirements when supporting NFEs in official capacities.

c. US Military Members and DoD Civilian Employees may not conduct NFE business on government time or use government personnel, supplies, vehicles, equipment, email accounts or other services without proper authority, as defined by appropriate regulatory guidance.

d. US Military Members and DoD Civilian Employees cannot endorse or appear to endorse membership drives or fundraising for NFEs except as allowed by other regulations i.e., Army Emergency Relief (AER) and Combined Federal Campaign (CFC).

5. Responsibilities.

a. Garrison Commander (GC). The GC is the approval authority for all NFE requests to operate on USAG Bavaria installations and may revoke permission to operate at any time.

b. Directorate of Family and Morale, Welfare and Recreation (DFMWR). The USAG Bavaria DFMWR serves as the NFE Administrator on behalf of the GC, and:

(1) Is the first stop for requests for NFE information, requests to operate, questions, concerns, and fund-raising requests.

(2) Initiates routing of all requests to operate on the installation and maintains a suspense status tracking system for each NFE.

(3) Maintains NFE files and monitors compliance with applicable guidelines.

Enclosure 1: Process

Command Policy Letter #35 - Non-Federal Entity (NFE) Policy to Operate on USAG Bavaria Military Installations

(17) Statement acknowledging that the NFE may only operate with GC's approval; that the GC is under no obligation to approve the request; and, that the GC may revoke approval to operate at any time.

a. NFEs wishing to seek revalidation and renewal of their authority to operate are required to submit a request to NFE Administrator no less than 90 -days before the expiration date of their approval to operate.

Additionally, the NFE must be audited at the time of the change of Treasurer, regardless of the time elapsed since the last audit. NFEs audited biannually by their national headquarters may submit a copy of those audit results as part of annual reporting. Audits must meet the following criteria:

(a) NFEs using a double-entry accounting system will have audits conducted by a qualified auditor (a public accountant or certified public accountant licensed by a State or other recognized licensing jurisdiction). The auditor's certificate of credentials must be submitted with the audit.

(b) NFEs using a single-entry accounting system will be audited as follows:

If the NFE only receives contributions, dues, and assessments from internal members, a NFE member who holds no office and is at least 18 years of age or a qualified auditor may conduct the audit.

Enclosure 1: Process

Command Policy Letter #35 - Non-Federal Entity (NFE) Policy to Operate on USAG Bavaria Military Installations

If the NFE engages in external fundraising, the audit must be completed by an appointed committee of three NFE members who hold no office and are at least 18 years of age, or a qualified auditor.

(3) A copy of appropriate tax-exempt status. When a parent NFE controls taxes for local chapters, the local NFE will provide a statement to this effect, but it must be signed by an official of the parent NFE headquarters.

c. NFE Administrator will route the completed revalidation and renewal application through the Legal Office for review, and then to the GC for consideration. The petitioning NFE will receive written notification of the GC's decision.

9. Non-compliance and misconduct complaints. To remain in good standing, NFEs must adhere to the conditions, standards, and requirements defined as outlined in this policy. In the event if the NFE Administrator receives a report of non-compliance or a misconduct complaint, the following actions may be taken:

a. NFE Administrator will immediately notify the Garrison Commander in writing of the report of non-compliance or misconduct.

b. If the Garrison Commander believes that the Allegation(s) rise to the level requiring an investigation, the allegations will be investigated in accordance with Army Regulation 15-6 Procedures for Administrative Investigations.

(1) Once contacted, the NFE has seven (7) business days to respond to the Investigating Officer (IO). Failure to respond within 7 business days will result in formal notification from the NFE Administrator to the NFE President that the NFE's approval to operate has been suspended for 45 days; if the NFE has not complied within that time, its approval to operate will be withdrawn.

(2) The IO will complete the investigation and present results for legal review no later than fifteen (15) business days from receipt of NFE response. The results and recommendations must be presented to the GC by the twentieth business day.

(3) The NFE will be notified, in writing, of the investigative outcome and any corrective actions necessary. The GC will determine a timeline for NFE to demonstrate that corrective actions have been taken. The GC can withdraw approval to operate.
