WARRIOR ADVENTURE QUEST

The Warrior Adventure Quest (WAQ) is a DA approved and endorsed program under Executive Orders for all units. WAQ is designed to re-create the adrenaline rush of combat action in a supervised, controlled, high adventure activity which is supervised by Outdoor Recreation staff.

WAQ instills cohesion, builds teamwork and maintains combat readiness through high-adventure activities. This program enables Soldiers to reach a “new stage of normal” by diminishing boredom and high-risk behavior, through outdoor recreation and a Leader – Led After Action Debriefing L-LAAD.

WAQ is offered at no cost to units. All units are now eligible for participation. Non-deploying units can attend once every two years. Units within 120 days prior to a deployment or 120 days after a deployment may attend during that time frame. Funding is provided upon successful completion of the activity and fulfillment of Post-Activity Survey.

All WAQ activities take place on weekdays, during regular duty hours. This program is not to be confused as a free recreation day. Please do not schedule a WAQ activity day in conjunction with any other event i.e. unit organization day, FRG gathering, family days, Army birthdays, promotion ceremonies, bake sales, etc. Distractions like these cause the activity day to be cancelled.

The WAQ program is a Leader and Soldier Program designed to support the Ready/Train and RESET phases of the ARFORGEN process. The objective of WAQ is to create a sustainable, enduring program that Army leaders recognize as a viable means to assist Soldier re-integration, maintain combat readiness and increase unit cohesion. Each activity is followed by a (L-LAAD) and Post- Activity survey. This is designed to draw similarities between the high adventure activity and their Warrior experiences. The L-LAAD is conducted by unit leadership (Squad Leader, NCOIC, OIC, Commander, etc.) The designated L-LAAD facilitators need to meet with a WAQ representative the day prior to the event. WAQ representatives will teach the leaders how to properly conduct an L-LAAD.

INSTRUCTIONS FOR UNIT PARTICIPATION

1. Unit Designated Training Coordinators (PSG/PL or higher) contact USAG Bavaria Outdoor Recreation Warrior Adventure Quest to schedule activity 3 weeks prior to selected date.
 - Execution: Target train/ready units within 120 days of deployment, RESET units within 120 days of redeployment and units with no impending deployment
 - Group size: Limited to one platoon (30-40 people) per day

2. Dates provided on a first come, first-served basis. Activities include but are not limited to:

Our camp grounds include 20 utility sites (220V only) and four primitive sites. Showers and bathrooms are conveniently located nearby. Camp sites and amenities are available for reservation throughout the year. Cost is \$10 per tent per night or \$15 for the weekend.

Make reservations in advance and plan to secure your site as early in the day as possible. Sites may fill quickly, especially during peak season (July - August). Parking or off-loading in the camping or picnic area is not permitted.

- Pets are welcome as long as they are leashed at all times.
- Please be courteous of your neighbors. Quiet hours are from 10 p.m. - 9 a.m.

EXPLORE THE NATURE TRAIL

Starting at Wild B.O.A.R. Outdoor Recreation, the trail winds through a typical forest of the local area and introduces many aspects of ecology and environmental protection in the Grafenwoehr Training Area. The local flora and fauna of the Grafenwoehr Training Area is quite pronounced and waiting to be explored.

The trail features several information guides with facts on topics such as trees, butterflies, soil, wetlands, wildlife management and forestry management. Interactive objects along the trail create an entertaining learning environment for young and old alike! At a leisurely pace, the nature trail can be completed in about one hour and is suitable for children and families with strollers.
