PROGRAM ENROLLMENT

Enrollment period is the 1-25 of the month prior
to the class's start month.

All programs require monthly registration.

Priority enrollment is from the 1-5 of the calendar month, and only applies for the same class and time slot the student participated in during the previous month. All other registrations (different classes, time slots or locations) must be made from the 5-30 of the calendar month. Patrons who register during the priority enrollment period without having attended the enrolled class during the previous month will be taken off the list to accommodate returning students.

Open enrollment is from the 5-30 of the calendar month. New classes and additional time slots that have not been filled by returning students will be opened to the community. These spaces will be filled on a first come, first served basis.

Returning students that do not utilize the priority enrollment period will not be given priority once spaces have been opened to the public.

Classes are not held on Federal Holidays.
Prices will be pro-rated accordingly during time of enrollment.

For more information on programs, contact Parent Central Services.
