

PAJAMAS TODAY

*Written & illustrated by
Janeth Escajeda*

*To all the kids staying at home today,
I can't wait to see you playing together again.*

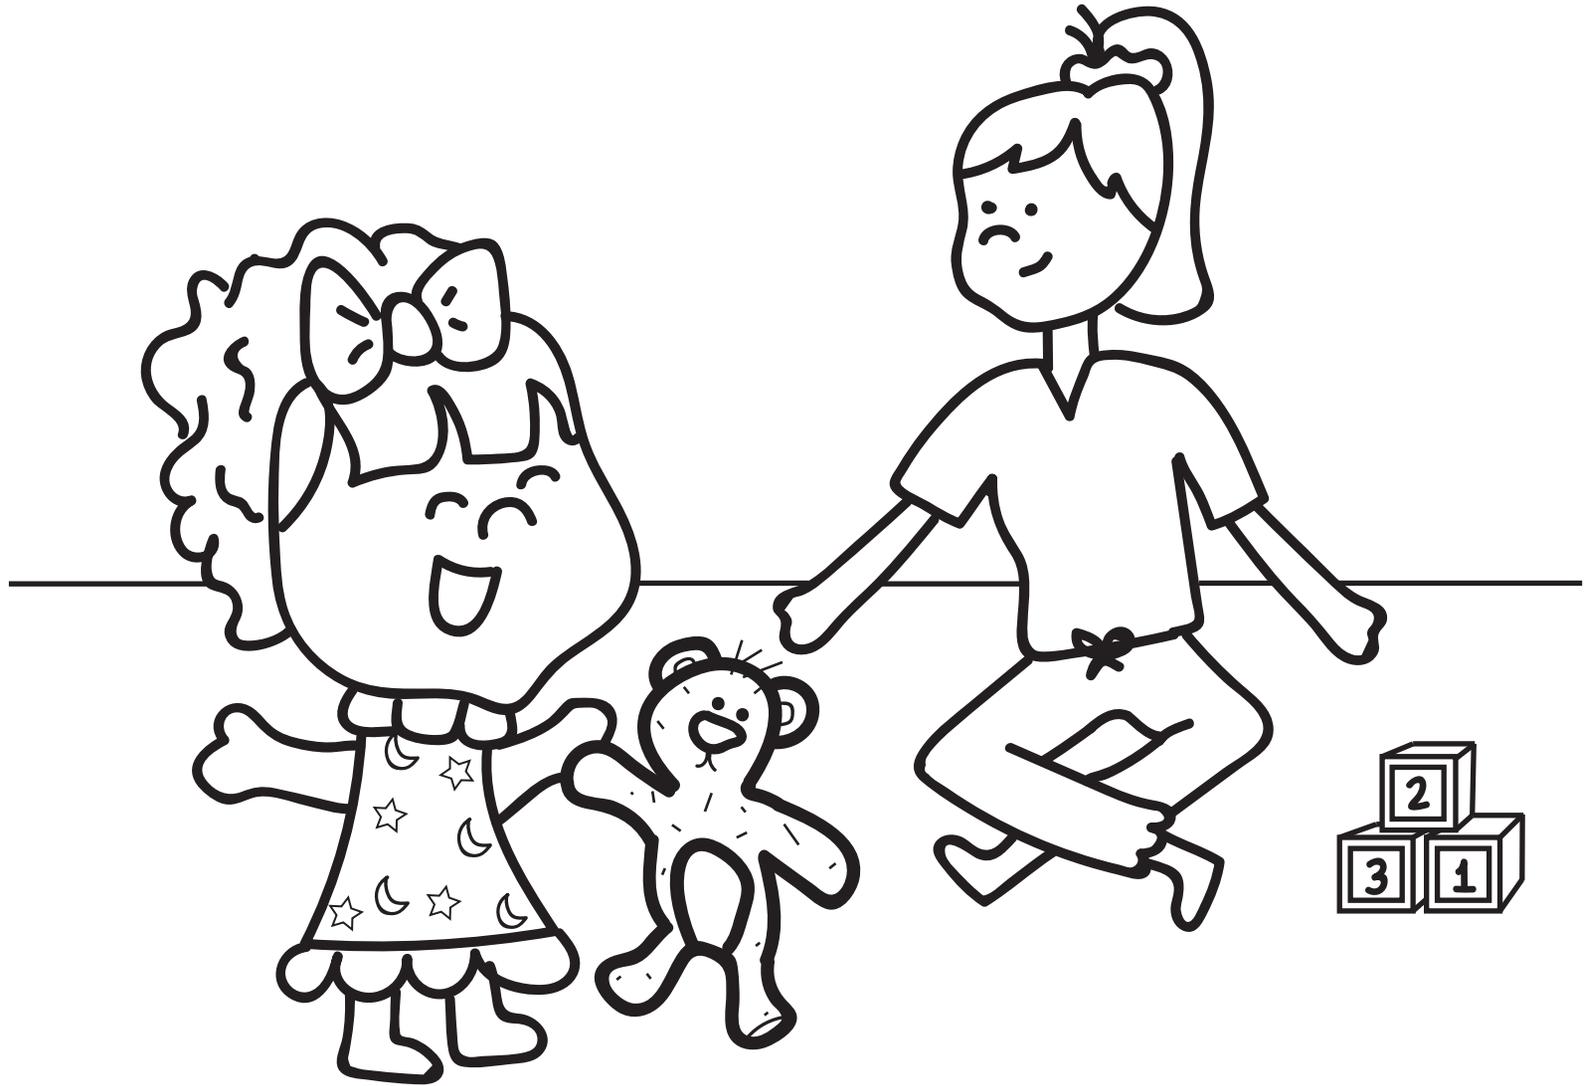

*Good morning
my sweet*

*It's ok to stay
in pajamas today*

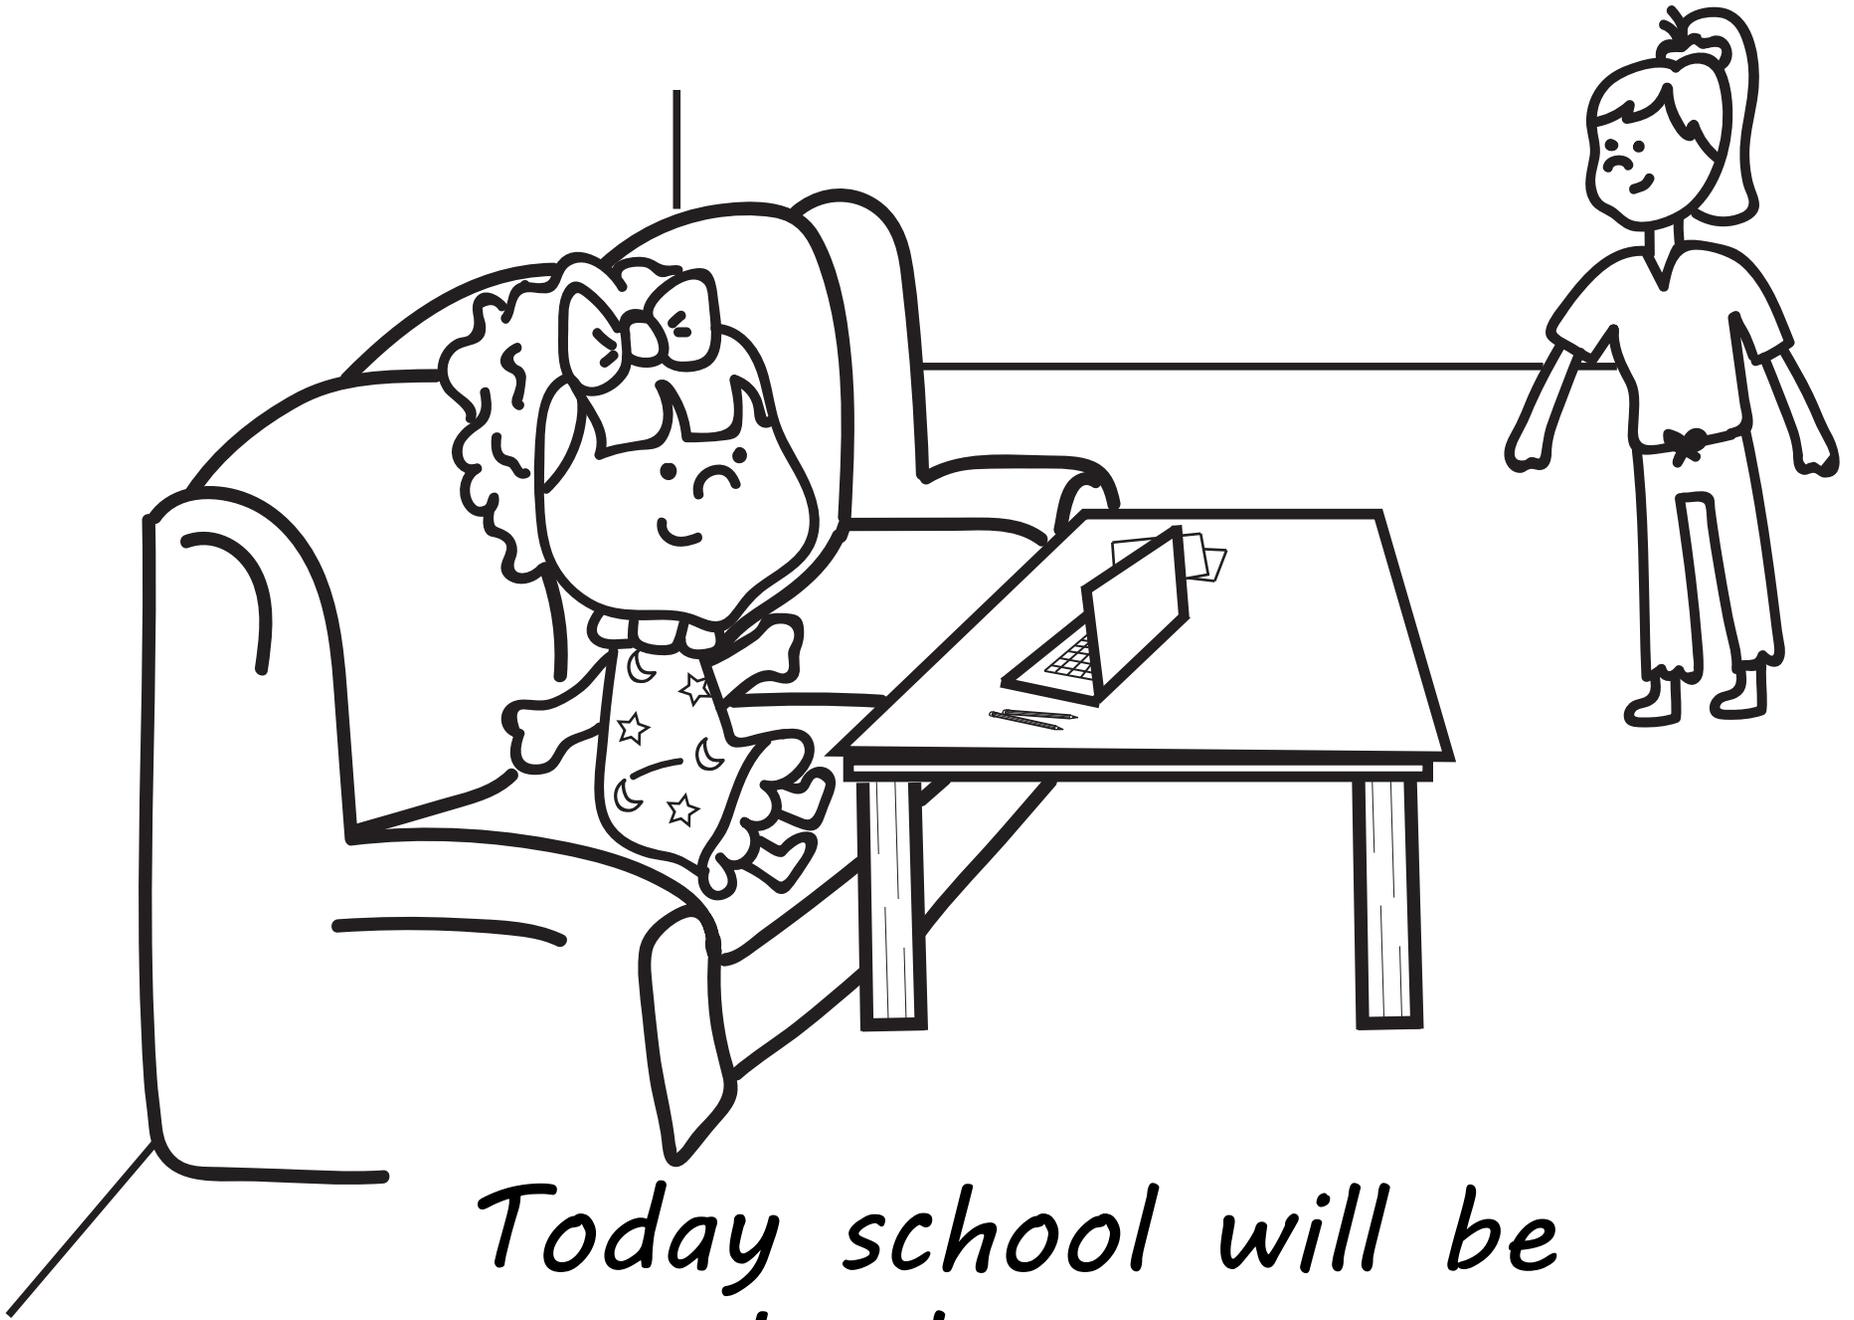

We aren't going to the street,

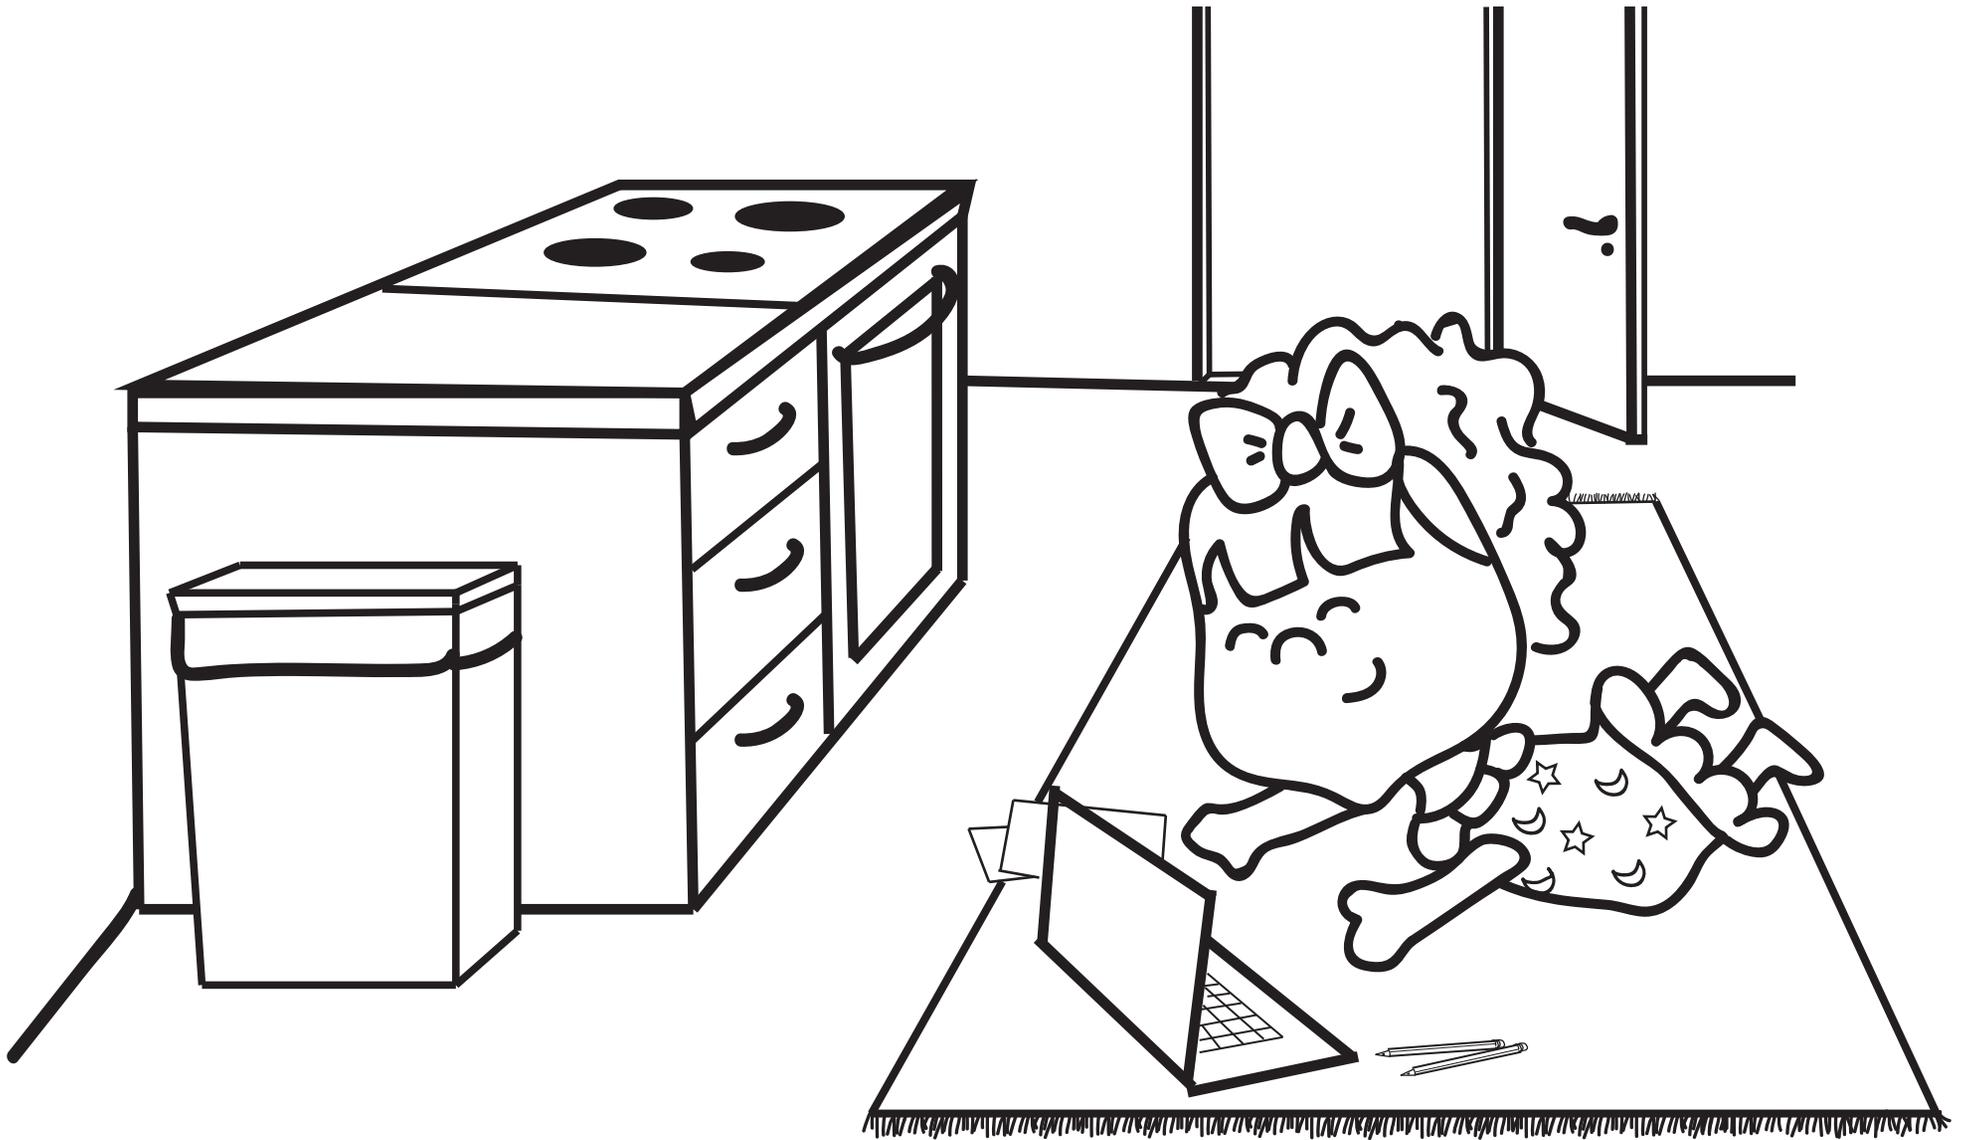

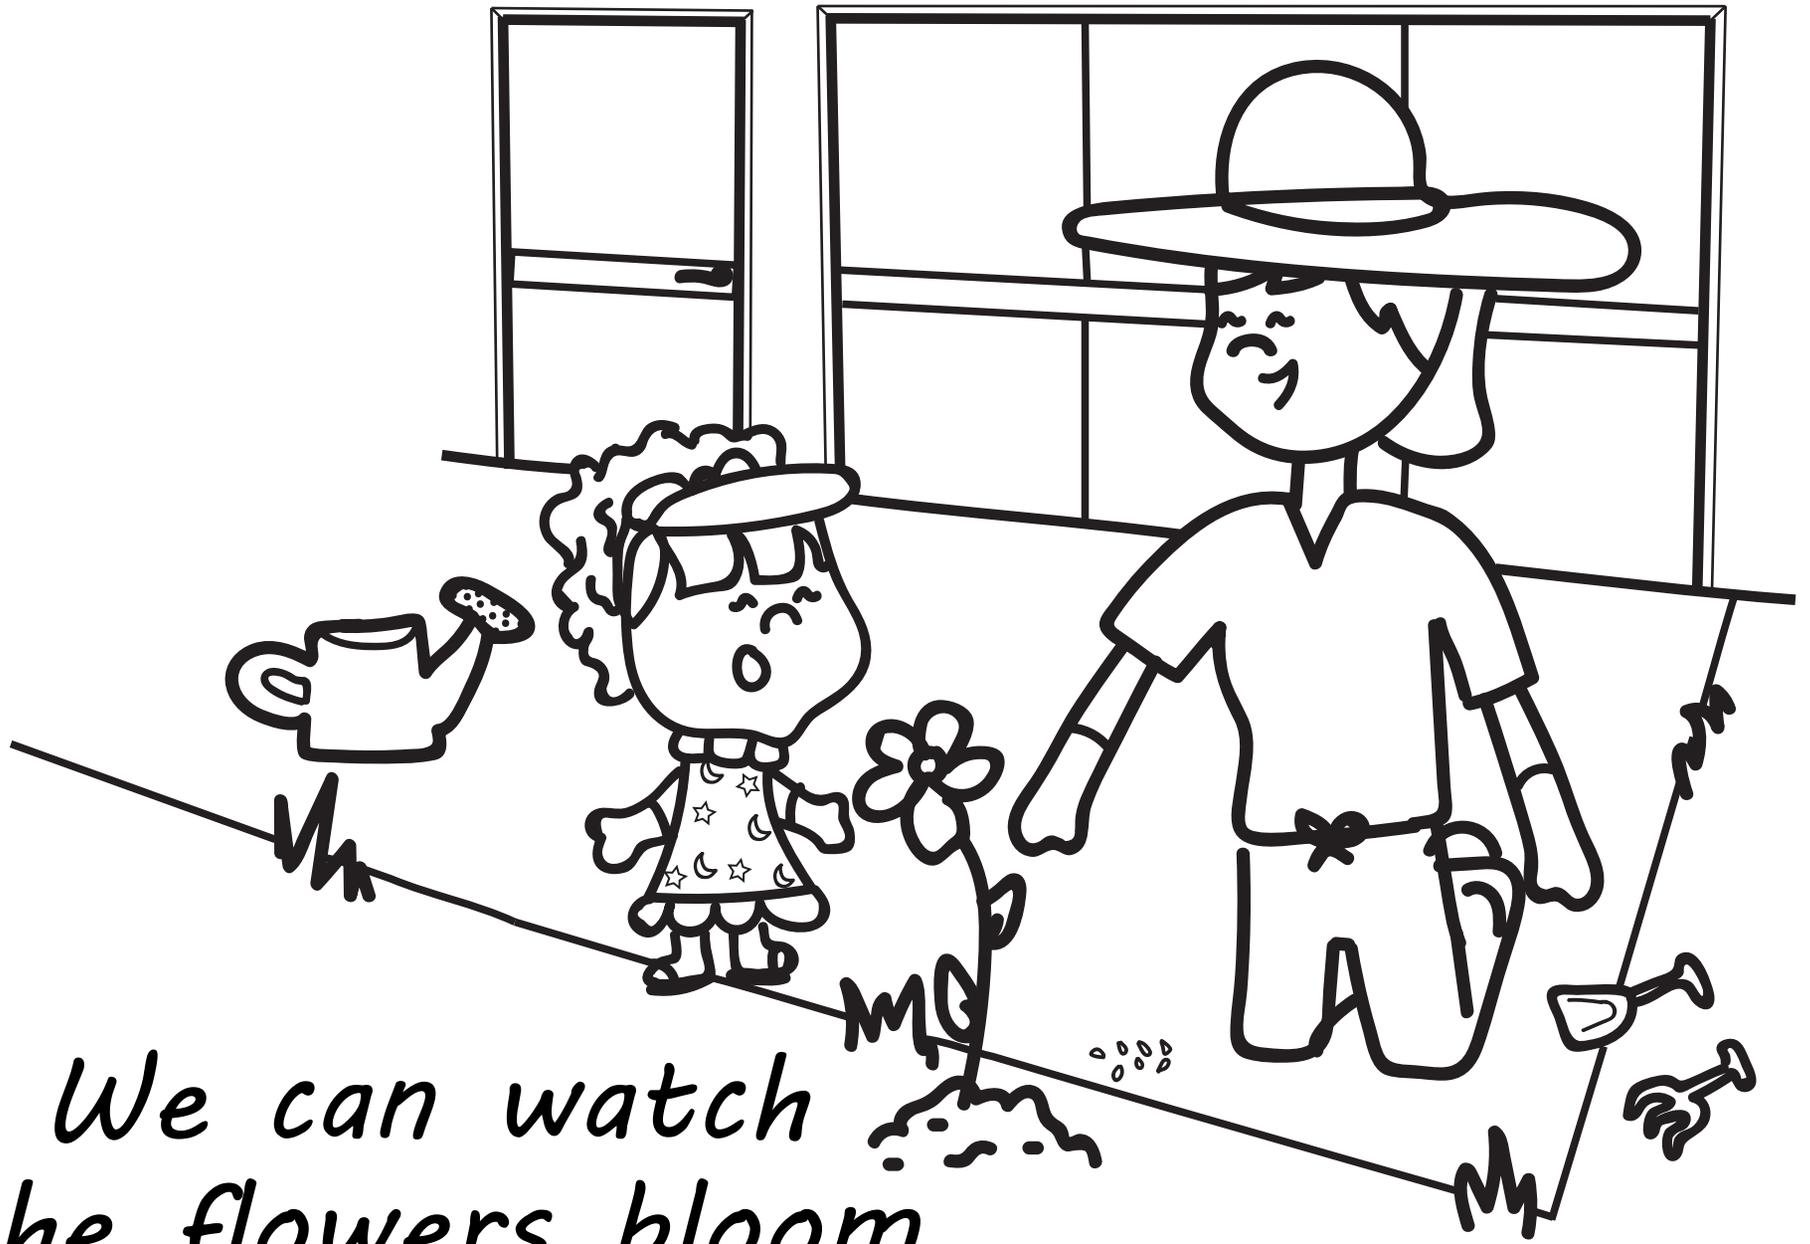

We will stay home and play

*Today school will be
in the living room*

Tomorrow might be in the kitchen

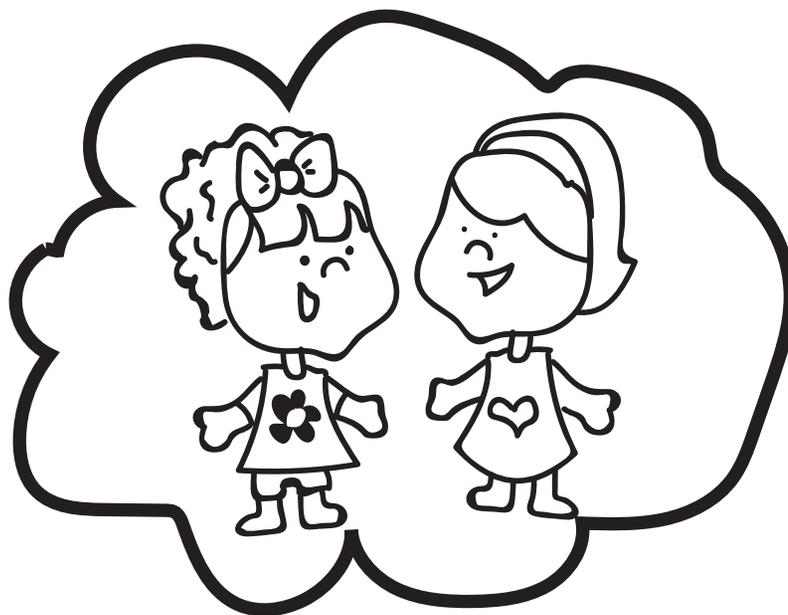

We can watch
the flowers bloom

*Or clean and
you can pitch in*

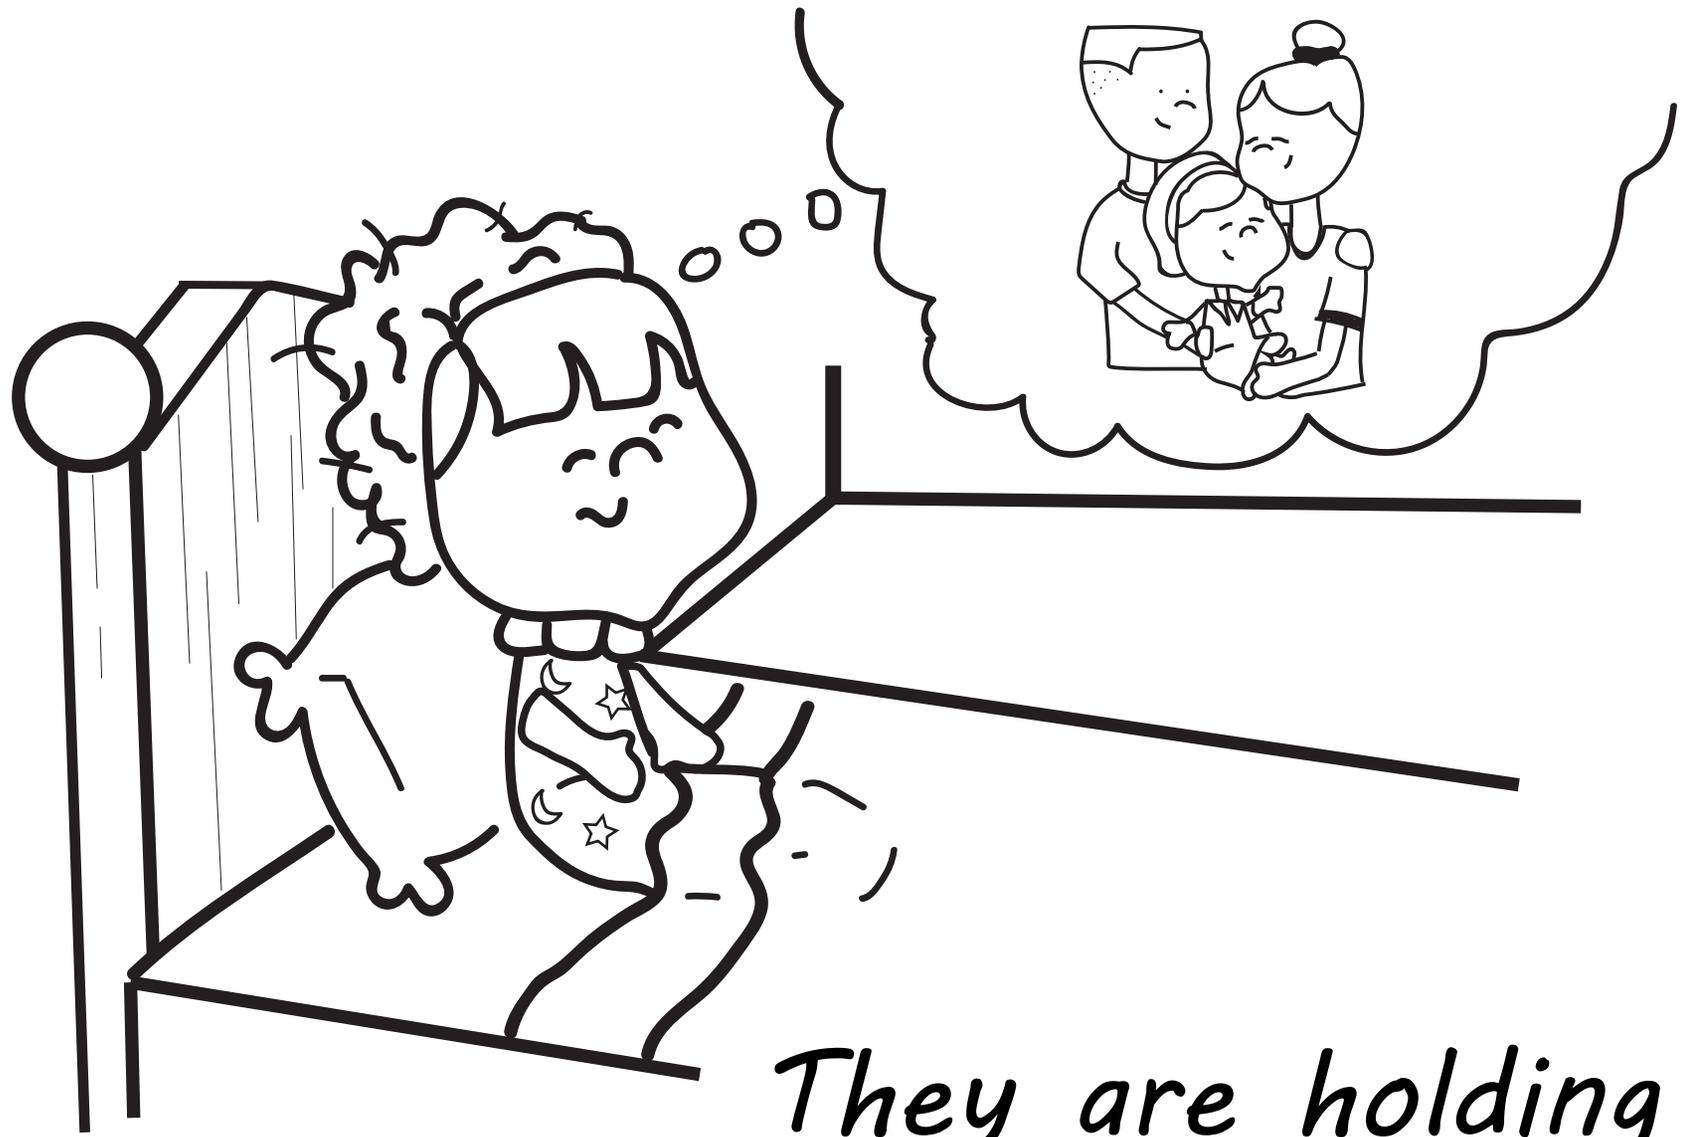

*Everything
will be alright*

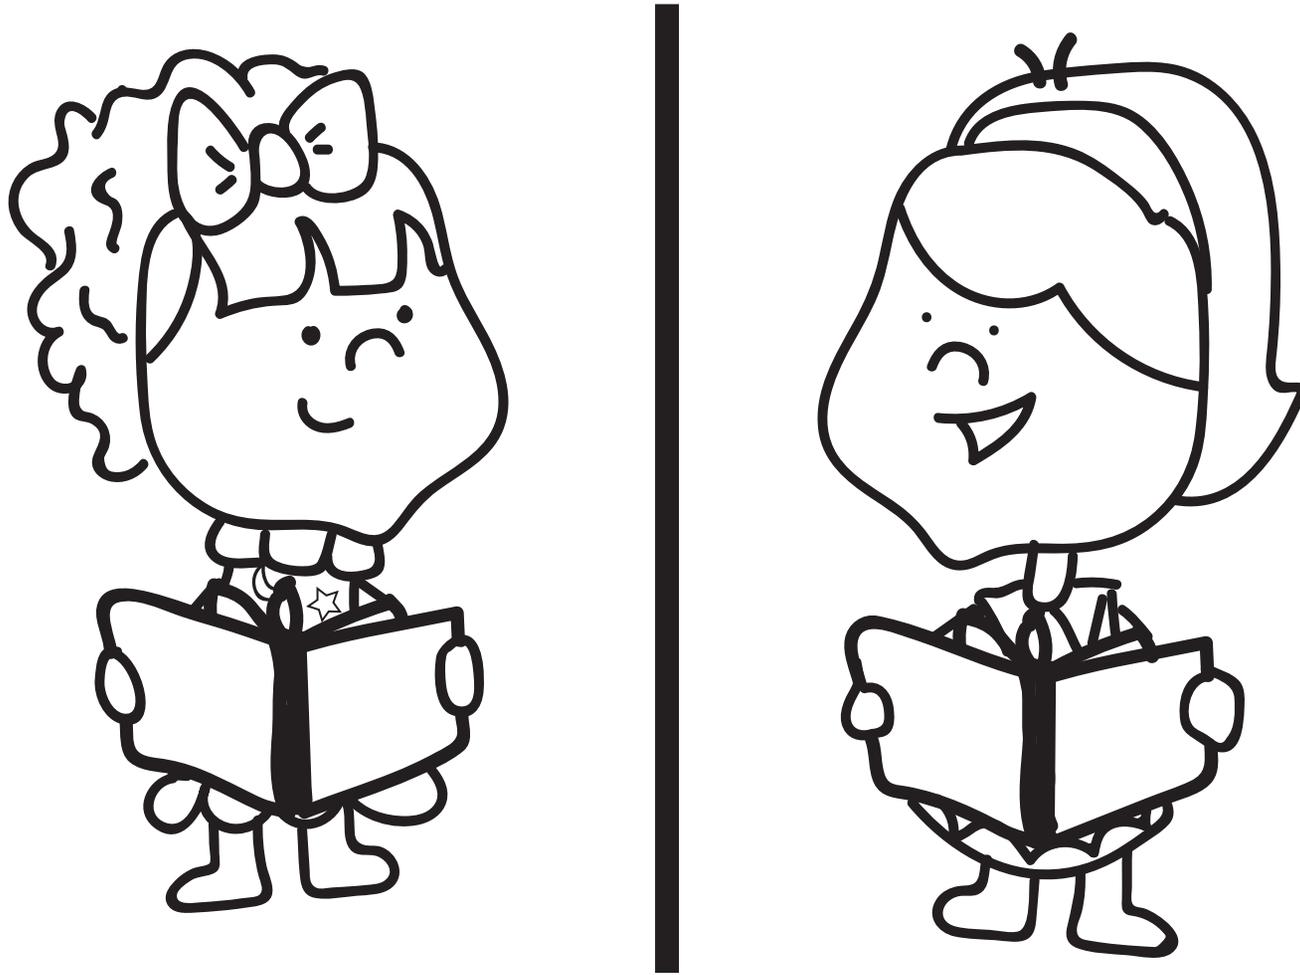

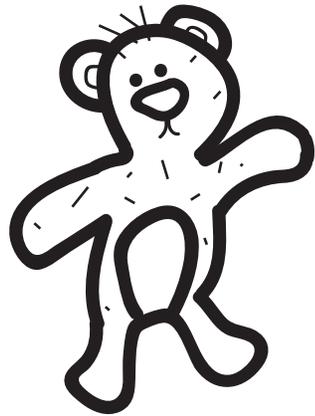

*You will see your
friends soon*

*They are holding
their families tight*

Reading this book in their room!

THE END

See you soon friends!
