

SUMMER LEARNING WEBSITE

The DoDEA Summer Learning website provides grades K-8 students and parents educational resources to bridge learning between the current and upcoming school years. Resources will be added to the website throughout the summer, and will include:

- Overviews describing what students should know and be able to do in each grade K-8
- A centralized access point to DoDEA's online libraries of e-books and digital media
- Engaging projects that integrate multiple subject areas
- An easy-to-use readiness check for math and reading
- Free high quality, online resources that are available for students in core content areas
