# WARRIOR ADVENTURE QUEST

Warrior Adventure Quest (WAQ) is a DA approved and endorsed program under Executive Orders for all units. WAQ is designed to recreate the adrenaline rush of combat action in a supervised, controlled, high-adventure activity, which is supervised by Family and MWR Outdoor Recreation.

WAQ instills cohesion, builds teamwork and maintains combat readiness through challenging activities. This program enables Soldiers to reach a “new stage of normal” by diminishing boredom and high-risk behavior through outdoor recreation and a Leader-Led After Action Debriefing (L-LAAD). Soldiers will be able to draw similarities between the adventure activity and their Warrior experiences. This portion will be conducted by unit leadership (Squad Leader, NCOIC, OIC, Commander, etc.).

WAQ is offered at no cost to units. Funding has been provided by the Department of the Army. All units are now eligible for participation. Non-deploying units can attend once every two years. Units who are 120 days prior to deployment or 120 days after deployment can attend during that time frame.

All WAQ activities take place during duty hours. Only available to Service Members.

WAQ is a Leader and Soldier Program designed to support the Ready/Train and RESET phases of the ARFORGEN process. The designated facilitator will need to meet with a WAQ representative prior to the event. WAQ representatives will teach the leaders how to properly conduct an L-LAAD.
