FOR CIVILIANS

Family and MWR

Greetings

MRS. AUDRE L. BINDER
DIRECTOR,
FAMILY AND MWR

Family and MWR is a comprehensive network of support and leisure services designed to enhance the lives of Soldiers (Active, Reserve and National Guard), their Families, military retirees, civilian employees and other eligible participants. Family and MWR exists because the U.S. Army is committed to the well-being of the community of people who serve and stand ready to defend the nation.

Our Mission is to serve the needs, interests and responsibilities of each individual in the Army community for as long as they are associated with the Army - no matter where they are in the world. We ensure our customers have access to the services they want and need, but often are unavailable in our local German communities, including family programs, child and youth services, recreation, sports, entertainment, travel and leisure activities.

Family and MWR is committed to providing services that are as outstanding as the people we serve. Our aim is to be there for every one of our community members and to meet their individual needs for:

- Exceptional Service – friendly, responsive and caring
- Information and Access – to our many unique services
- Consistent Quality and Value – in all Family and MWR programs worldwide

Commercial Sponsorship Programs

The Family and Morale, Welfare and Recreation (MWR) Commercial Sponsorship Program offers the opportunity to present your company's message in a variety of creative ways to our Army community. Family and MWR sponsorship gives your business access to our Army community and helps you build goodwill, as well as brand recognition among this loyal market. By collaborating with the USAG Bavaria Military Community, you are expanding our Family and MWR programs, events and services to a greater audience. All activities and events operated by Family and MWR programs and facilities are eligible for sponsorship support.

Family and MWR sponsorship is the financial or in-kind support of a program or activity, used primarily to reach specified business goals. We offer sponsorship as well as advertising opportunities.

Why should your company be interested in Army MWR sponsorship and advertising?

It offers significant opportunities for distinct marketing and competitive advantages, as well as showing support for our troops.

Why do you want to sponsor Family and MWR events?

Family and MWR sponsorship offers the possibility of achieving several goals at once. Your company can benefit from a Family and MWR sponsorship in many ways, such as:

- **Enhance your image/shape Army attitudes.** Often companies are looking to improve how their target audience perceives them. Sponsoring Family and MWR events that appeal to their market are likely to shape buying attitudes and help generate a positive reaction.

- **Drive your sales.** Family and MWR sponsorship provides opportunities to drive sales and is therefore an extremely effective promotional tool. It allows your company to display products to our Army community, create positive publicity and heighten visibility. Additionally, a Family and MWR event sponsorship can generate media coverage that might otherwise not have been available.
- **Differentiate yourself from competitors.** The mere act of sponsoring a Family and MWR event, especially an exclusive Family and MWR sponsorship, is a significant way to create competitor differentiation. Your company name has the opportunity to stand out far above the competition.
- **Help with good “Corporate Citizen.”** Another powerful step Family and MWR sponsorship plays, allows your company to be viewed as an “Army Supporter.” Supporting the Army community and contributing to its morale, welfare and recreation development is extremely influential and creates enormous goodwill.

Commercial Sponsorship Opportunities

Examples of Sponsorship Activities

Surveys, drawings or contest prize giveaways, product sampling, company logo on print materials, booth display at events (tables, tents, chairs and electricity are provided), recognition with logo on website and Facebook and many more. Sponsorship benefits can be catered to reach your business goals and objectives.

How much will I need to invest?

Our goal in every sponsorship relationship is win-win! An investment with Family and MWR has value on multiple levels. Sponsorship may be in the form of cash, products or services, or a combination of all three. Sponsorship is not charitable donations.
